

# TRANSPORTATION

Due to COVID-19, many of the public schools within our district are resorting to virtual learning. In some instances, this has resulted in many transportation systems cancelling their bus service for our students until their own students physically return to classrooms.

We realize this has significantly impacted some of our families and makes it very challenging to get students to school due to work and schedule demands. Please know that we understand and are working diligently to find resolutions and accommodate your needs.

Thank you for your patience as we continue to seek solutions and adapt to the changes and challenges we are facing. We are not alone.
